

CONFERENCE PROGRAM

TUESDAY, OCTOBER 22

- **7:00 AM** / Registration & Continental Breakfast
- **8:00 AM-6:00 PM** / Exhibit Hall Open
- **8:00 AM** / Keynote: Mark Houser CEO, University Lands / Exhibit Hall / Welcome Remarks
- **9:00 AM-4:00 PM** / Three Concurrent Sessions
- **4:00-5:45 PM** / Exhibit Hall Hospitality

● **9:00-10:00 AM** / Three concurrent sessions

○ **TRACK 1:**

Midstream Executive Panel

Speakers: *John Durand, President, XRI*

Gerardo Rivera, COO, H2O Midstream

Michael Anderson, CEO, Layne Water Midstream

Roger Johnson, CCO, Oilfield Water Logistics

○ **TRACK 2:**

N.A. Water Management Market Overview and Key Development Trends

Speaker: *Paola Perez Pena, Principal Research Analyst, IHS Markit*

○ **TRACK 3:**

How Produced Water's Economic Value is Evolving in the Permian Basin

Speaker: *Gabriel Collins, Baker Institute for Public Policy's Center for Energy Studies, Rice University*

● **10:00-10:20 AM** / Networking Break

● **10:30-11:30 AM** / Three concurrent sessions

○ **TRACK 1:**

Midstream Operations Panel

Speakers: *Nick Hines, EVP Permian, Oilfield Water Logistics*

Tommy Thompson, VP Engineering, Goodnight Midstream

Cory Hall, President & CEO,

Aqua Terra Water Management

○ **TRACK 2:**

Water Management Cost Savings Achieved Through Service Intergration & Automation Technologies

Speaker: *Amy Dwyer, Business Development Manager, TETRA Technologies, Inc.*

○ **TRACK 3:**

Produced Water: Recycling in the Permian Basin—A Low-Cost Alternative

Speaker: *Mark Patton, President, Hydrozonix*

● **11:30 AM-1:30 PM** / Lunch Served in Exhibit Hall D

● **1:45-2:45 PM** / Three concurrent sessions

○ **TRACK 1:**

Differences in Infrastructure, Reuse and Disposal Across the U.S. Basins

Speaker: *Michael Dunkel, VP Water for Upstream & Midstream, WorleyParsons*

○ **TRACK 2:**

Next-Gen Water Intelligence: How Data Science, AI and Spy Satellites Are Transforming Oil-Field Water Management, Creating New Threats and Opportunities for Operators, Investors and OFS

Speaker: *Josh Adler, Founding CEO, Sourcewater, Inc.*

○ **TRACK 3:**

Water Technology Panel

Speakers: *David Bateman, Co-CEO & Board Member, SitePro*

Kelly Bennett, Co-Founder & President, B3

Justin Love, CEO, Blackbuck Resources

● **2:45-3:00 PM** / Networking Break

● **3:00-4:00 PM** / Three concurrent sessions

○ **TRACK 1:**

The Evolution and Current Status of Produced-Water Policy and Regulation

Speaker: *Karr Ingham, Economist; Petroleum Economist; President, Texas Alliance of Energy Producers*

○ **TRACK 2:**

Produced/Frac Flowback Water Storage and Evaporation Ponds

Speaker: *Neil Nowak, Project Director, SCS Engineers*

○ **TRACK 3:**

Integrated Pipeline Automation for Water Management

Speaker: *Ben Yee, President, SCADALink, LLC*

● **4:00-6:00 PM** / Exhibit Hall Hospitality

CLOSE OF DAY ONE

WEDNESDAY, OCTOBER 23

- **7:00 AM** / Registration & Continental Breakfast
- **8:00 AM-5:30 PM** / Exhibit Hall Open
- **8:00 AM** / Keynote: Rick McCurdy, Former Senior Engineering Officer, Chesapeake Energy Corporation / Exhibit Hall
- **9:00 AM-4:00 PM** / Three Concurrent Sessions

- **9:00-10:00 AM** / Three concurrent sessions

- **TRACK 1:**

- **Water Finance & Investment Panel**

Speakers: *Robert Kordas,*
Managing Director, Head of Oilfield Service & Equipment,
U.S. Energy Group, RBC Capital Markets

Michael LaMotte,
Senior Managing Director, Investment Banking Group,
Guggenheim Securities, LLC

Henry May,
VP, Post Oak Energy Capital,
Post Oak Energy Capital

Vince Hahn, Managing Director,
The Carlyle Group

- **TRACK 2:**

- **Water Sourcing Impacts for the Permian Basin**

Speaker: *Aaron Horn,*
Senior VP, Fountain Quail Water Management –
Subsidiary of XRI

- **TRACK 3:**

- **End-to-End Automated Water Transfer Job With Zero Human Intervention: What Will This Mean for the Industry?**

Speaker: *Michael Fontaine,*
Senior Director of Operational Systems & Reporting,
Select Energy Services

- **10:00-10:20 AM** / Networking Break

- **10:30-11:30 AM** / Three concurrent sessions

- **TRACK 1:**

- **A Five-Year Outlook of Water Management in the Permian Basin**

Speakers: *Laura Capper,*
President and CEO, CAP Resources,
EnergyMakers AG

- **TRACK 2:**

- **Midstreaming the Merge: Developing Greenfield Gathering Systems for Multi-Formation Production**

Speaker: *Jared Weingartner,*
Engineer, Blue Mountain Midstream

- **TRACK 3:**

- **Navigating Regulatory Hurdles for Induced Seismicity**

Speaker: *John Sullivan,*
Senior Project Manager, SCS Engineers

- **11:30 AM-1:30 PM** / Lunch Served in Exhibit Hall D

- **1:45-2:45 PM** / Three concurrent sessions

- **TRACK 1:**

- **E&P Water Management Panel**

Speakers: *Brian Bohm,*
Environmental Sustainability Adviser,
Apache Corporation

Brian Kuh,
Senior Foreman Water Management,
WPX Energy

Joseph Hamende,
Midstream Manager,
Laredo Petroleum, Inc.

Doug Park,
Senior Doug Park, Senior VP,
Corporate Development, XRI

- **TRACK 2:**

- **The Need for Standards for Lay-Flat Hose Used for Water Transfers**

Speaker: *Ty Hanna,*
Production and Stimulation Fluids Chemist,
Apache Corporation

- **TRACK 3:**

- **Detecting and Recovering Oil from Flowback and Produced Water**

Speaker: *Mark Wolf,*
Director of Onshore Facilities, NOV / Well Stream
Processing Business Group

- **2:45-3:00 PM** / Networking Break

- **3:00-4:00 PM** / Three concurrent sessions

- **TRACK 1:**

- **Optimize Produced Water Treatment Systems Through Right-Sized Solutions**

Speaker: *Fady Rizk,*
Solutions Development Manager, Exterran
Energy Solutions

CLOSE OF DAY TWO
